MEMO ENDORSED

Re: United States v. Amin Majidi
18 Cr. 328 (KPF)

Dear Judge Failla:

We represent Amin Majidi in the above-referenced matter. We write to request permission for Mr. Majidi to travel to Munich, Germany for 3 days next week. As Your Honor may recall, Mr. Majidi is self-employed and is in the business of buying and selling vintage watches. Mr. Majidi is seeking to travel to Munich so that he can meet with and finalize transactions with 2 individuals. The government and Mr. Majidi's pretrial services officer have no objection to this request.

With the Court's permission, Mr. Majidi will retrieve his passport from pretrial services solely for purposes of this trip and provide his pretrial services officer and the government with his itinerary prior to his departure.

We appreciate the Court's consideration of this matter.

Respectfully,

Brian D. Linder
